TADAS DABKUS

INFORMATICS & MULTIMEDIA TECHNOLOGIES | WEB & DIGITAL CREATIVE

Kaunas, Lithuania · tadas.dabkus@gmail.com
linkedin.com/in/tadas-dabkus-41a064292 · tadasdabkus.github.io

PROFILE

Informatics and Multimedia Technologies student with a strong interest in digital products, web development, UI/UX and creative technology. Combines practical experience in visual design, website building, photography and multimedia with a problem-solving mindset. Curious, responsible and quick to learn new tools; interested in internships and junior opportunities across web, digital innovation and interactive experiences.

TECHNICAL SKILLS

Web: HTML, CSS, JavaScript, WordPress, Webflow, Framer, Git/GitHub

Creative technology: Three.js, WebGPU, 3D scene development, interactive experiences

Design & media: UI/UX, graphic design, visual identity, Photoshop, Illustrator, Figma, Canva, Lightroom, photography and video editing

Other: SQL, MariaDB, Google Workspace, AI-assisted workflows, problem solving, teamwork and communication

EXPERIENCE

Lidl Lietuva — Deputy Store Manager | 2023–2026

- Supported daily store operations, process coordination and task distribution.
- Worked in a fast-paced environment requiring sound decisions, adaptability and problem solving.
- Communicated with customers and team members while maintaining service and quality standards.
- Developed responsibility, time management, teamwork and operational coordination skills.

INDEPENDENT PROJECTS

Tadari Studio — Graphic Design & Digital Projects

- Designed website structures, UI concepts, visual identities and social media content.
- Created web projects using HTML, CSS, JavaScript, Webflow and Framer.
- Explored AI-assisted creative workflows and digital content production.

Interactive 3D & Web Experiments

- Built browser-based 3D scenes using Three.js and WebGPU, integrating models, textures, lighting, sound and interactive controls.
- Iterated on responsive behaviour and cross-browser presentation while debugging practical implementation issues.
